

On line workshop with title:

Sustainable use of soil- Production and Degradation of Biobased products

Wednesday 9 December 14:30 – 17:00 CET

On the occasion of the World Soil Day, the **Greek Bio-Economy Forum**, the **Center for Renewable Energy Sources and Saving**, the **MSc Bioeconomy, Circular Economy and Sustainable Development of University of Piraeus** and the **company Q-Plan Internatoinal** organize a workshop dedicated to soil, the products it gives us and how they affect soil health when they return to it through biodegradation. The event is supported by the EU funded projects: **MAGIC, PANACEA and BIOVOICES**

Apply by 20 November at the emails: info@bioecoforum.gr & info@bioecoforum.eu
